

I have been working the past two weeks with the village's website designer to update and add information to the Village of Swanton website. As of today, a changed format has been designed to not only provide more information, but to make the website more user friendly. Links have been added, and we are working on providing a separate page for each village department . In the near future, council minutes will be added, and more photos as well. Please take a look at www.villageofswantonohio.us.

I field numerous questions each week about village services. I welcome your questions and comments and will always try to provide an answer as soon as possible. Remember, you have six council officials who also will research and answer your concerns. They are as follows: David Pilliod, Council President, 419.826.2378; William Belinger 419.825.1052; Tammy Haselman 419.826.9515; Jeff Pilliod 419.825.1366; Jim Piotrowski 419.826.9515; and Mike Rochelle 419.825.5687. Please contact me at 419.826.9515 or email at annroth@midohio.twcbc.com.

Remember, recycling is collected on the 1st and 3rd Mondays of each month. It is NOT collected on Monday when a month has five Mondays. Recycling bins are available at village hall.
