The Village of Swanton has jumped on board with social media. We have a Facebook page. It is in its infancy, but it will be our way to update citizens with the most recent info from village hall. You may "like" us at Village of Swanton, Ohio. Information regarding snow emergencies, refuse collection, and police department info such as crime updates will be featured. Also, remember that we do have a website as well, [www.villageofswantonohio.us](http://www.villageofswantonohio.us). You need to use "Ohio" because there is a Swanton, Vermont that will appear if you don't.
