2018 Brush Pick Up Dates

SWANTON, OH- Brush pick up will begin on or around April 2, 2018 and run through the beginning of November. The Village of Swanton is divided into sections with each section having pick up on a different day. Please see the attached map for details on sections and their respective pick up days. In the event of a strong storm, the Village will assess and pick up brush as needed.

We are asking for cooperation from Village of Swanton residents in order to make brush pick up as efficient as possible. Please have brush to the curb, or side of the road, by 7:00 a.m. on scheduled pick up day. Further, please place all limbs with cut end towards the street. Please remember that any contractors hired (professional tree trimmers, landscapers, etc.) are required to remove from your property any tree limbs, trunks, logs etc. that they generate. Brush pick up provided by the Village of Swanton is for fallen tree limbs not for clearing of lots or removal of entire trees.
