# Helpful Information

## Brush Pick Up

From April to November brush is picked up each week. The Village is divided into four areas. Please check the website for a map of brush pick up schedule.

## Income Tax

All residents with an earned income are responsible for a 1.50% payroll tax. Taxes are filed through the Regional Income Tax Authority (R.I.T.A)

## Medication Drop-off Box

Residents can drop off unwanted, unused drugs, at the Police Station, and a Police Officer will safely dispose of the medications.

## Refuse & Recycling Collection

Handled through Republic Services Inc. **This is contracted with you, the resident.** *You must call to set up service 800-234-3429.* Refuse is collected each Monday; there is a limit of six bags or cans. They collect recycling on the 1st and 3rd Monday of each month. When there is a holiday on that Monday, the pick-up will be Tuesday. Refuse and recycling can be put to the curb 8:00 p.m. the night before.

## Utility Billing

Due on the 15<sup>th</sup> of the month. Able to pay cash, check, credit, and automatic debit. For convenience, night deposit box in rear entrance of building.

# Our Services

## Administration

Hours: Monday-Friday 8:00 a.m. to 4:30 p.m.

Village is managed by a full-time Administrator. The Administration staff also includes the Fiscal Officer and two Administrative Assistants.

## Community Development

### Code Enforcement

The Code Enforcement Official's main task is to ensure property owners are maintaining their property and are compliant with the Zoning Code.

### Planning & Zoning

Permits are required for fences, sheds, pools, garages, additions, and any structural changes. Forms can be found on the website or at the Village office.

### Rental Facilities

Memorial Pavilion can be reserved from April through October. Swanton Community Center can be rented year-round.

# Our Services

## Public Works & Utilities

### Public Service

Street Maintenance

Facilities Management

Park Maintenance

Water Distribution/Wastewater Collection  
(water main breaks, sewer cleaning)

### Water Purification

The Water Plant, a class 3 plant, is classified as a 1.250 million gallon a day lime soda softening water treatment plant. The water source is Swan Creek supplying the Swanton reservoir, which has a capacity of 100 million gallons.

### Water Resource Recovery Facility

The Swanton WRRF, a class 2 plant with an average daily flow of 0.92 MGD, has two systems to treat wastewater. The first utilizes primary clarifiers and trickling filters. The second, an oxidation ditch, utilizes activated sludge for treatment.
