1. Emergency Ordinance: Amend Ordinance 2017-04

Councilman Dzyak opened the discussion on amending Ordinance 2017-04. Councilman Rochelle discussed aspects of the State medical marijuana law detailing the 24 licenses the State will approve. Members of the audience interjected. Mr. Deacon Dzierzawski commented on a variety of topics such as medical marijuana being a cash only business, lighting issues this could bring to the community, and that the intention of the State law was for process and cultivating to be in rural parts of the State. Members of SACC and SEED spoke about how it would be counterproductive to allow processing and cultivating in the Village. More discussion from Council on the subject and it was decided to not take action on the ordinance.

Adjourn:

Motion to adjourn meeting was made by Councilwoman Rochelle, seconded by Councilman Pilliod. Motion passed 5-0.

Paul Dzyak, President of Council

Rosanna Hoelzle, Village Administrator
