Project 7 Sewer Separation Update

SWANTON, OH- Project 7 Sewer Separation is still running on time. Today, September 20 the contractor is working on preliminary compaction of Church Street in preparation of digging up the road to install curb and gutter. Digging on Church Street is tentatively scheduled for Monday September 24, weather permitting. During the digging of the road there may be intermittent closures. The contractor will work with residents to allow access where and when needed.

The contractor will also perform sewer repair along Harrison today, September 20.

The Village of Swanton will release future updates to notify the community on project status. Again, the Village of Swanton appreciates your patience and understanding as we work to make the Village of Swanton a great place to live, work and play.
