Memorial Park Master Plan Public Forum

SWANTON, OH- Are you interested in the future of Swanton's Memorial Park? The Village of Swanton entered into an agreement with Poggemeyer Design Group to formulate a strategic master plan for Memorial Park. This master plan will become a critical component of future planning to ensure there is preservation while making sustainable upgrades.

There will be a community forum for members of the public, community organizations, and institutions to come together and "chip in" their ideas for the strategic master plan.

We hope to see you on Thursday February 28 at 6:00 p.m. at the Swanton Community Center located at 217 Chestnut, next to the Municipal Building. If you are unable to attend but are interested in contributing ideas, please contact Village Administrator Rosanna Hoelzle.
