Village of Swanton Implements New Mass Notification Solution
SWANTON, OH- The Village of Swanton is utilizing a mass notification system called CivicReady that is available through Fulton County Government's website. This system will allow the Village of Swanton, and other Fulton County communities and agencies, to send out urgent notifications, instructions, warnings and other notices to subscribed citizens through email, text and/or phone call. In the event of a local emergency, citizens subscribed to CivicReady will benefit from important information and instruction through their preferred notification channel.

Initially, the Village of Swanton will use the CivicReady system for boil advisories and for general notices to the community. There are a few different ways to sign up. The quickest way is through Text to Join. Text 30890, and in the message type Join SwantonGeneral and/or Join SwantonBoil (it is case sensitive and there needs to be a space between Join and the keyword). You can also sign up by accessing the website, <https://fultoncounty-oh.reggroup.com> and following the prompts. The Village of Swanton will soon have a link to CivicReady notification sign up on their website.
