Swanton Village to Flush Fire Hydrants

SWANTON, OH- The Swanton Village Water Division will flush fire hydrants from May 10, 2021- May 21, 2021 throughout the Village and outlying areas. Residents may notice lower water pressure than normal if hydrants are flushed in their immediate area. Residents may also notice discolored water coming from their faucets for a short period of time. Residents should flush their faucets for a few minutes until the water clears up. If you have any questions, please contact the Water Treatment Plant at 419.826.5831
